

Host, emcee, facilitator, community builder. Phoenix, Arizona.

Austin Willman

Your Live Events Need A Host With Energy To Spare

I've hosted live calls for Mindvalley cohorts of up to 300, facilitated masterclasses with Eric Siu and Neil Patel, interviewed 200+ podcast guests, and co-hosted the three-day Japan Expo Malaysia. I make speakers sound great, keep the schedule honest, and make every attendee feel like the event was built for them.

WHAT I'M HIRED FOR

Host and emcee
Conferences, expos, races, member events.

Facilitator
Workshops where everyone actually talks.

Interviewer and moderator
Masterclasses, panels, podcasts, live calls.

Community and member experience
Programs members show up for and stay in.

THE RECEIPTS

8 cohorts
Run at once at Mindvalley, 150 to 300 people each

200+
Podcast interviews hosted

75%
Attendance on masterclasses and coaching calls

$149 to $299
Membership price doubled, members kept joining

Every 2 weeks
A new expert scouted, booked and hosted
